TERMS FOR SERVICES

1. Scope

- 1.1. Your Agreement is made up of these standard mobile terms and conditions, the Price List and the Application Form (collectively, the "Agreement").

2. Commencement and Term

- 2.1. This Agreement shall commence on the date We accept Your Application to use the Mobile Services (the "Commencement Date"). Acceptance may be by Us counter-signing the Application Form, sending a confirmation letter to you via post or email, confirming by email following an online application, or confirmation via a telephone application process.
- 2.2. This Agreement shall remain in effect for at least the Minimum Term and then thereafter unless terminated earlier by either party in accordance with this Agreement.
- 2.3. We will not be able to automatically renew the Agreement for the same duration as the initial Minimum term without Your written consent, but the Agreement will continue as a non-fixed contract unless terminated by either party in accordance with this Agreement.
- 2.4. The provision of the Mobile Services commences when We Connect You.

3. About Your Agreement

- 3.1. It is Your responsibility to make sure the SIMs are only used to access Mobile Services as permitted in this Agreement.

- 3.2. This Agreement does not cover the supply of Your Handset. The manufacturers of Handsets are not related to Us. Any terms relating to Handsets will be given to You separately.

4. Variations to Your Agreement or prices

- 4.1. We may vary any of the terms of Your Agreement on the following basis:

We will let You know at least one month in advance if We decide to:

- (i) discontinue the Services; or
- (ii) make any variations to Your Agreement which are likely to be of detriment to You; or
- (iii) increase the fixed periodic charges for the Services (if applicable) by an amount which is more than the percentage increase in the Retail Prices Index Figure (or any future equivalent) in any twelve-month period.

- 4.2. You can end the Agreement for such variations as explained in Section 12.1. Subject to the above, you will not be able to end the Agreement if such variation or increase:

- (i) is due to changes to the law, government regulation or licence which affect Us; or
- (ii) relates solely to Additional Services.

If You carry on using Services after the variation commences, you will be deemed to have accepted the variation.

5. We will provide You with a phone number and SIM

- 5.1. We will open an Account for You and arrange to provide You with a SIM and a phone number (and We may agree to provide You with additional SIMs and phone numbers on Your request).

- 5.2. Our Network Provider or its MNO owns each SIM and each SIM remains their property at all times. You are being allowed to use the SIM by Us on a limited licence to enable You to access Services, in accordance with the terms of this Agreement. We or they may recall the SIM(s) at any time for upgrades, modifications, misuse or when Your Agreement ends. You can only use Our SIM to obtain Services from Us.

- 5.3. The software in the Intercom and all intellectual property rights in that software is owned by Telguard and You are being allowed to use the software on a limited licence from the manufacturer. During the term of Your Agreement for the supply of Mobile Services, you must not permit Your intercom to be unlocked via any unauthorised manner (i.e. by anyone other than Us or the Handset manufacturer). You must contact Us if You want Your sim to be unlocked from Our network.

6. Services

- 6.1. Once You are Connected, we will provide You with access to Our Mobile Services. The Mobile Services will include Premium Services, provided You ask for them and We approve, and may also include Age Restricted Services, provided You are 18 or over and You do not show or send any content from the Age Restricted Services to anyone under 18.

- 6.2. You will also be able to upload and send Your own content using the Mobile Services. You grant Us, Our Network Provider, or its MNO, a royalty free, perpetual and worldwide licence to store, transmit or otherwise deal with any content You upload on the Mobile Services. We may:

- a) change or withdraw some, or part, of the Mobile Services from time to time. This may be because of changing technologies, obsolescence, new or different product features, changing content providers or the need to remove, replace or modify content. Subject to Section 4.1, You can end the Agreement if this variation is likely to be of detriment to You as explained in Section 12.1; and
- b) also determine how Mobile Services are presented and delivered to the Handset or are otherwise made available to You. We can change the way they are presented, delivered or otherwise made available to You at any time.

Limitation of Services

- 6.3. We will always try to make Mobile Services available to You. However, Mobile Services are only available within Our MNO's coverage area (which comprises a video service area and a voice & picture area within the United Kingdom). Within this, there may be areas where You do not have access to all Mobile Services or where coverage is otherwise limited or unavailable.

Disruption to Services

- 6.4. There may be situations when Mobile Services are not continuously available or the quality is affected and so We cannot guarantee continuous fault-free service, for instance:
- a) when We, Our Network Provider, or its MNO need to perform upgrading, maintenance or other work on the network or Mobile Services;
 - b) when You move outside Our video service area whilst You are on a call (in this case calls may not be maintained);
 - c) when You are in areas not covered by Our network. In these cases, Services rely on other operators' networks where We have no control; and
 - d) because of other factors outside Our control, such as the features or functionality of Your Handset, regulatory requirements, lack of capacity, interruptions to services from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions.

Our Network Provider or its MNO owns the SIM and it remains their property at all times, You must ensure that You keep the SIM safe and secure whilst it is in Your possession and You must ensure that You are able to return it to Us, if required to do so by Us at any time, as set out in these Agreement. You must only use Handsets authorised by Us for Connection to Our network and also comply with all relevant legislation relating to their use.
- 7.7. We may publish an acceptable use policy providing more detail about the rules for use of certain Mobile Services in order to ensure that use of Mobile Services is not excessive, to combat fraud and where Mobile Services We may introduce require certain rules to ensure they can be enjoyed by Our customers. If We publish a policy, We will let You know and such a policy may be amended from time to time, for instance, if We discover that the Mobile Services are being used fraudulently or for fraudulent purposes, or the excessive use of certain Mobile Services is causing problems for Us, Our Network Provider, or its MNO, its systems or for other users or if We introduce new services which may require certain rules to ensure that such new services can be enjoyed by Our customers. Again, we will let You know if this happens.

You must pay Us all Charges for all the Mobile Services which are accessed using the SIM(s) We or Our Network Provider have supplied to You or which are accessed using Your Handset(s), whether the Services are accessed by You or by another person, with or without Your permission. If any of the SIMs or Handset(s) are lost or stolen (either separately or with any of Your handset), You remain responsible for all the Charges to Your Account until You tell Us what happened and arrange for Your SIM(s) and Handset(s) to be deactivated.

Method of invoicing

- 10.2. Unless otherwise expressly stated in this Agreement, we will invoice You:
- a) in advance for periodic charges (usually on a monthly basis), Connection fees and service fees (where applicable); and

(depending on the payment scheme You have chosen).

You will have to pay any outstanding Charges. We may set a credit limit on Your account until You have established a good payment history with Us or if You fail to pay Your account on time or We may ask You for a Deposit. We will let You know the applicable credit limit which We may increase or remove without notice or about the amount of the deposit that We require from You. If You exceed the credit limit We set, we may Suspend any or all of the Mobile Services You use until You have made a payment to Your Account. You should not use the credit limit for budgeting as the amount You owe is not capped or limited by any credit limit We set.
- 10.8. We may need to take legal or other collection action against You for non-payment of Charges. This could mean You have to pay Our costs and expenses, including legal costs, with interest added daily.
